ART SHOW REMINDER
Monday, June 9th from 6:30 to 8:30PM

Come any time between 6:30 and 8:30 PM to tour our hallways and see all of the artwork that our students, grades K to 5, have been creating since September. If your child has a softball or baseball game, feel free to come by after the game.

The hallways look wonderful! Over 1000 pieces of art are displayed throughout the halls of Coolidge School.

Also, I am happy to report that we have just received our Temporary Certificate of Occupancy (TCO) for our new addition. While visiting Coolidge School on Monday evening for the art show, all parents, students and guests are invited to tour our new facilities. Enjoy some cookies and juice in our new multi-purpose room.
