Calling all Dads

I am forming a committee of fathers who are interested in getting more involved in various aspects of Coolidge School. If you are interested, please let me know by calling 201-848-5710 or by sending me an email at rfamularo@wyckoffschools.org. I would like to brainstorm possible events and activities for next school year involving fathers and would like to hear your ideas as well. Meetings will take place in the evening. Please let me know as soon as possible if you are interested, as I would like to have a preliminary meeting before the end of the school year.

President Coolidge to visit Calvin Coolidge School

As part of Coolidge School's 75th Anniversary celebration, Jim Cooke, presidential historian and Calvin Coolidge impersonator, will visit the school on Friday, June 6th as "the president". Staying in character throughout the entire day, Mr. Cooke will present press-conference style assemblies for the students during the day. A special press-conference assembly will be presented for parents, alumni, community members and other guests at 2:30PM at Coolidge School. Thank you to the Coolidge School PTO for funding this event.

Anniversary Assembly

On the afternoon of Wednesday, June 11th we will be having an anniversary assembly to commemorate our school's 75 year history. Each grade level is hard at work preparing a special presentation for this event.

Art Show

Coolidge School's first annual art show will take place the evening of June 9th between 6:30-8:00. All students, parents, grandparents

and guests are invited to tour our hallways during this time to see our students' wonderful artwork on display. Be sure also to view special projects and pictures associated with our 75th anniversary. Ms. DiTursi could use as much help as possible. Please contact her if you can help set up for the art show during the day (dditursi@wyckoffschoools.org).

Scenes From Annie

Fourth and fifth grade chorus students are hard at work preparing for their musical next week. We are proud of their efforts! Thank you to Mrs. Allen, Ms. DiTursi and the numerous parents and teachers who are working tirelessly on this production.

Fifth Graders Visit New York City

Our fifth grade students enjoyed a wonderful day in New York City this week. After food and games at the ESPN Zone, students saw the Broadway play Wicked. Thank you to the numerous parents who organized and raised money for this trip.

Construction Update

We are hopeful that we will be receiving our Temporary Certificate of Occupancy (TCO) shortly. As soon as I receive information it will be relayed to you. Remember, our main parking lot can now be used for student drop-off in the morning. Students should walk along the path behind the school to their normal line-up spots. The main lot can also be used for parking during the day and at dismissal.

Principals for the Day

Thank you to Mr. Tyler Zanki and Ms. Alexandra Zanki for filling in so admirably for me as co-principals on May 19th. Click [here](#) for photos of them hard at work.

Principal's Book Club

Congratulations to the 28 kindergarten students who recently took part in the recent Principal's Book Club. I enjoyed discussing Big Al with you! Click [here](#) for photos of the event.
