**IMPORTANT
CALENDAR CHANGES!**

April 15, 2008

Dear Parents and Guardians,

Calendar News:

This letter is to inform you that the Board of Education adopted a revised calendar for the current 2007-2008 school year since we did not use our 3 inclement weather days. If you recall, we did postpone the opening of school this year due to construction and made up one of those days in November. The other day was added at the end of the school year. The revised calendar for the remaining of this year will be as follows:

Friday, May 23 – Schools closed for students and staff

Friday, June 20 – Minimum day and last day for all students

Teachers will report on June 23 and 24 for professional development workshops

The 2008-2009 calendar was approved by the Board of Education on April 14, 2008. A copy of the calendar is on the back of this letter, and it is also posted on our school website at www.wyckoffschools.org. We attempted to keep vacation days consistent with the high school to assist those families with children in both districts; however, a few times it is not a perfect match.

Budget News:

As you may have heard, our 2008-2009 school budget passed by 100 votes. There were more registered voters than ever before as well as more absentee ballots cast. I extend my sincere gratitude to everyone who participated in the school elections this year.

Please enjoy the spring break with your children!

Sincerely,

Janet Razze, Ed.D.
Superintendent of Schools
