

Parent Workshop

Dear Parents:

Can you keep pace with your student on the Internet???

You are invited to an Internet workshop on Friday, June 13th at 11:45 am in the computer room. This workshop will inform parents on how to monitor their computer as well as explore some of the popular Internet sites that teens visit. We will also discuss safety issues involving the Internet.

The workshop will be conducted by Harold Olejarz, Angelo BonavitaCola, (two of our technology teachers.) It is hoped that this workshop will give practical information on assisting parents in helping their children safely deal with the Internet.

Please fill out and return the tear-off sheet below and send back to Eisenhower by June 9, 2008. Space is limited to the first twenty-five respondents. Also please indicate any specific questions you may have about Internet usage or safety.

I hope to see you there,

Richard Kuder
Principal
