

RAMAPO INDIAN HILLS TRANSPORTATION

BUSING

In order to qualify for busing, the shortest walking or driving distance from home to school must exceed 2.5 miles. We encourage you to contact our office to obtain your exact distance in order to avoid any misunderstanding regarding transportation.

It is recommended that you do **not** wait until the summer months to make your initial inquiry regarding home-to-school mileage.

If you qualify for busing, you will receive a post card in August indicating your route number, bus stop location and pick up time.

SUBSCRIPTION BUSING

It may be possible to pay a fee and ride the bus, only if there is availability on an existing route and using an existing bus stop.

It is sometimes necessary to wait until mid-September to determine whether there is availability on a particular route.

In order to be placed on a waiting list, you must contact our office from mid-June through early July. If you already know that you are less than 2.5 miles from school, please wait until mid-June to call.

If there are more requests than available seats, we must choose lottery style.
