

Directions for using the Technology Wiki

Before you begin, remember, the wiki does not work well in Safari. It works best when using Firefox or Internet Explorer.

1. Go to Mr De Block's webpage.
2. Click on **TECH WIKI** under the Quick Links
3. Type in the password given in class
(this password will change often)
4. Type in your **FIRST NAME** and **LAST INITIAL**
(remember: **do not type your full last name !**)
5. Type in your email address
6. Click **LOG IN**

Congratulations : You have now entered the wiki.

Click on the blue **TECH TERMS**

Follow the directions on the wiki page.

Remember, anything you delete will be lost, so only add your word and your definition to the table.

Don't forget to click **SAVE** when you are done editing the wiki.
